Executive Director

October 1, 2014

Dear Chief / President:

In an effort to assist Nassau County's Heroin Task Force in attempting to provide Narcan training and treatment options to the most amount of people in each community, all agencies that provide EMS response are requested to contact Medical Control at the conclusion of any call where a narcotic overdose was suspected and Naloxone (Narcan) may have been administered by members of your agency or the public (if known):

**Call Medical Control – (516) 573-3170 or (516) 572-6277**

**Info to be provided:**

- Town or zip code of the call
- If Naloxone (Narcan) was or was not administered
- Amount that was administered
- If the patient responded to the medication

Should you have any questions, please do not hesitate to contact us.

Sincerely yours,

A handwritten signature in black ink, appearing to read "John J. Hassett".

John J. Hassett  
Executive Director
